February everyone thinks about Love or the word Love. I would like to challenge you to really study the word Love and what God's how HE express Love.

The most powerful emotion you and I can experience is Love. This is because God is Love and He want us to share His Love with others. When we love another person it means we are committed to their satisfaction, security, and development so they can become all He created them to be. this enables us to be patient in trying circumstances and allows us to make sacrifices for others without complaining. God's Love give us the energy to remain faithful to those we care about and it helps us forgive when we are wronged.

As wonderful as Love is, it also can be the emotion we have the **most difficulty** with.

First: may people think they understand Love, but what they've learned is the world's definition instead of God's. they think they feel love for another person, when what they really feel is attraction and not much more.

Second: past hurts and sorrows can rob us of the joy God wants us to experience-leaving us distrustful of other's intentions or perhaps fearful of expressing what is in our heart to someone we care about. How do you learn to Love, especially if you have been deeply hurt? there is only one way-by tapping into the **limitless Love of God through Jesus Christ**. His sacrificial death on the cross was the greatest display of Love that this world has ever known. He gave Himself freely for you and me-not just so we could be set from from sin, but so we could have an intimate relationship with HIM. 1 John 4:10-12 tell us, "In this is love, not that we loved God, but that He loved us and sent His Son to be the propitiation for our sins. If God so loved us, we also ought to Love one another.... If we love one another, God abides in us, and HIS LOVE is perfected in us." Do you have difficulty receiving or expressing Love? There are many

people that do. They fail to understand that HIS LOVE is gentle, long-suffering, and can soften the hardest heart. When we express HIS LOVE to others, we are not only doing what HE created us to do, we are also opening our hearts to all of the awesome blessings that HE has for us.

Will you embrace HIS LOVE and share it with others.

Don't forget to tell someone today that you LOVE them and are proud of them.

Thank you for demonstrating your love for the Lord and compassion for HIS people by partnering with us in sharing the gospel of Jesus Christ. Please take a look at my schedule and if you would like for me to share through song, Women's Conference please let me know.

If you have any prayer requests please let me know and I will take them before the Lord.

May God bless you as you seek Him and serve HIM in LOVE and obedience.

Blessings,
